Which of Elena's The Vampire Diaries kills made Nina Dobrev feel like a bad ass? Whose script does Kat Graham have framed? What moment from Season 2 does Candice Accola call epic? The stars of the CW drama are sharing these answers and more.As the series hits the 100-episode milestone, TVGuide.com spoke with five of the show's original cast members as they looked back on five seasons of love, loss and much more. You can check out Part 1 of the retrospective with Ian Somerhalder and Paul Wesley here.The Vampire Diaries' Ian Somerhalder and Paul Wesley look back on 100 episodesFAVORITE EPISODESeason 1, Episode 6, "Lost Girls"Dobrev: I've always said that my favorite to this day is "Lost Girls" from Season 1 because it was fun for me to explore and see Katherine in a different period and then also see Elena in present day figuring it all out. I had so much fun shooting that episode and I loved the way it turned out. Kayla [Ewell] was so good in that episode; [she] was so heart-breaking.Season 1, Episode 1, "Pilot"Accola: I still love the pilot. I watched it a bunch of times and was just so excited.Season 3, Episode 5, "The Reckoning"Graham: I have two. The first was directed by Michael Narducci andJohn Behringand it was where I dove into save Matt [Zach Roerig]. I actually framed that script and made Narducci sign it because I was so impressed by the writing. I was really happy with the work I did in that. Then, it was the prom episode. For me it was huge and there was a lot of really cool stuff with my character.The Vampire Diaries EP Caroline Dries: Enzo becomes the devil on Damon's shoulderFAVORITE KILLSeason 4, Episode 5, "The Killer"Dobrev: I loved killing Connor (Todd Williams). It was Elena's first kill and it was such a raw, aggressive, angry, malicious bite that lead to his death. It's something we'd never seen Elena do and she did it because she was trying to protect her brother, so it was justified. He was this huge guy and all muscles and big and macho, and for me to go in there and just ravage him and throw him down made me feel like kind of a badass in that moment.Season 2, Episode 5, "Kill or Be Killed"Accola: When she attacks the two cops and snaps their neck and comes out with blood on her mouth like, "Hi mom." I think that was a pretty epic moment.Season 2, Episode 18, "The Last Dance"Graham: The best death was my own in the go-go boots in Season 2.Watch the cast of The Vampire Diaries plays "Shag, Marry, Stake"SADDEST DEATHSeason 1, Episode 6, "Lost Girls"Dobrev: Kayla Ewell's, hands down. Maybe because she was my roommate at the time and she was the first person to die as a regular on the show. I miss her still.Season 3, Episode 13, "Bringing Out the Dead"Accola: Personally for me was Kayla. For Caroline, I think it would be her father.Season 1, Episode 14, "Fool Me Once"Graham: For Bonnie it was definitely her Grams.FAVORITE FLASHBACK ERA1920'sDobrev: I loved watching the '20s flashbacks. I was in it, but for not very much, and I wish I had been in it more because it is my all-time favorite era.1920'sAccola: I loved the '20s, I think everyone did. It was really incredible.12th Century ItalyGraham: There was an episode with Claire Holt during Roman times where she was fantastic.Share your favorite episodes, deaths, kills and flashbacks below!The Vampire Diaries 100th episode airs on Thursday at 8/7c on The CW.(Full Disclosure: TVGuide.com is owned by CBS, one of The CW's parent companies.)View original The Vampire Diaries' Nina Dobrev, Candice Accola, Kat Graham Look Back on 100 Episodes at TVGuide.comTerrifying hallucinations leave Elena shaken and confused and she makes a painful confession to Stefan. Matt gives Damon startling information about Professor Shane (DAVID ALPAY).1 User everyw4Critic reviewsDead slayer Connor keeps entering Elena's visions, taking any shape to terrify her, kindling her fears and guilt, even tricking her into accidentally stake-stabbing Jeremy, to render her suicidal. Damon saves her from death by sunlight after dropping her ring by the bridge where her parents died at sunrise and explains that Stefan, whom she dumped for manipulating her until she killed Connor, actually tried to find a cure. Tyler convinces Caroline to team up with Hayley and the other hybrids and help delude Klaus. Bonnie and the others still trust Atticus, who treats Falls College to a supernatural exposition, until Matt's remarks alarm Damon. After Klaus explains about the Five Hunters, the end of Elena's horror and Jeremy's invisible tattoos suggest he may be the new slayer 'coming of age'. —KGF Visserstatttootransformationnightmaredivingdrowning2 morePlot summaryPlot synopsis TVD goes full on psychological horrorLoved the feel of the episode with Elena going out of her mind after being cursed after killing one of the five hunters, it had a cool horror fine to the episode, nina s performace was fantastic throughout the episode truly outstanding work all the cast brought their bestjackDee-56565Dec 27, 2020Suggest an edit or add missing contentYou have no recently viewed pagesThe Vampire Diaries Episode Views Added Info 230237 11/06/18 09:51 36981 03/20/13 20:51 Episode 23655 09/12/09 17:59 12462 09/19/09 07:39 6981 09/26/09 00:51 5849 10/03/09 18:13 4814 10/10/09 06:36 5333 10/16/09 19:37 4143 10/31/09 11:01 4540 11/07/09 07:56 4292 11/14/09 03:14 3752 11/21/09 13:26 3432 01/23/10 22:10 3543 01/30/10 14:42 3350 02/05/10 19:26 3371 02/12/10 21:24 2776 03/27/10 18:19 2868 04/03/10 12:13 2596 04/10/10 00:12 2722 04/17/10 12:54 3576 04/24/10 18:04 2911 05/01/10 12:37 2686 05/07/10 22:47 3815 05/15/10 14:30 5694 09/11/10 04:31 3364 09/18/10 04:49 3857 09/25/10 18:30 Movies TV Shows In flashbacks, Stefan reveals to Elena the Salvatore family history, including how his rivalry with Damon began. What's my prize- What would you like it to be?They extended your leave?I was simply having too much funto return to battle.Your commitmentto the Confederacy is inspiring.Well, this works outwonderfully for me.How's that, Miss Katherine?Now I'll have both of youto keep me entertained.First, I'll need someone to escort meto the Founder's Ball. - I would be honored. - With pleasure.The smart and kind Salvatore brothersboth coming to my rescue.How will I ever choose?She chose me.I escorted her to the ballat the original Lockwood mansion.The first Founder's Party.Where you signed the registry.I didn't care that I had gotten somethingthat my brother wanted.I didn't even care if it hurt him.I only knew that I wanted her.So he was upset.That's the thing about Damon.He doesn't get mad.He just gets even.Man, that shower was so great.What did you give me?Some blood. You loved it.I did?Wait, I'm confused.How did we get here?We met in the woods.You were drunk. I attacked you.I killed all your friends, brought you here.Gave you blood. You loved it.And now we're gonna partytill the sun goes down.Okay. But first, can I have another hit?That blood was so good.Only if I can.What Damon wants,Damon usually gets.Now, I didn't know it at the time,but turns out that night.....Katherine was with him too.So he stole her from you,not the other way around?Turns out she wasn't ours to steal.Stefan.I will love you forever.Forever is a very long time,you know.Wait. Not long enough.Ugh!Good morning.Leave the room, please.You're upset.Your face, it was like a demon. - But you're not afraid. - Get away from me. Get away.It doesn't change the wayyou feel about me.You will not tell anyone.L...We will go on exactly as we have.Yes, we will go on you have no idea of the future!I have planned for us, Stefan.You, me and Damon.No rules.She could control my leineand Damon's.And she compelled each of us to keep the secret from the other. She wanted all of us to be together, forever.Didn't work out that way....but Damon and Ilooks like we're stuck with each other.Like it or not.Is that Damon's ring? I took it from him. I have to give it back. - No.Don't, Stefan. Keep it hidden.Elena, if I don't give it to him,he'll retaliate in the only way.....that he knows can hurt me. - And how is that?By hurting you.You're working on it, Mayor Lockwood. - Doc ID the bodies?. A few townies. Notorious druggies.I suppose that will make it easyfor people to buy this story. - And Vicki Donovan? She's not one of the deceased. - Where the hell is she?- I wish I knew.Sorry I'm late.You have the watch?. It's ready. - That's it?Yes. That's it.I am so over Tyler. So over him.I knew from the beginningI was only a piece of ass to him.....but I thought if he got to know mehe might see something more.But no,Jeremy, on the other hand,that's all he's ever seen in me is more.....and I like that,Jeremy, huh?. Elena's brother?. Yeah.So Elena used to date my brother,and they were always together.....so Jeremy would always behanging around and crushing on me and...Hey, why don't you have a girlfriend?You're cool and so hot. - I know. - Don't you wanna be in love?I've been in love.It's painful and pointlessand overrated.Except when it isn't.No more talking. Let's dance.My mom spends most of her timein Virginia Beach with Pete.He drives trucks.I don't remember my dad,but from what I gather.....he's not worth remembering. - Your life is so pathetic. - Yeah?I mean, I'm the screwed-up one.Matt's got it so easy.He's the golden boy.I mean, he's gonna geta football scholarship and marry Elena.....and have a lawn mowerand some babies.....and when I think of my future,I just come up blank.You are so damaged.Yep.I mean, you don't have one hintof self-esteem.Nope, none. - I think I know what can help you. - What's that?Death?What happened?We were dancing and then... Then I killed you. - What?. You're dead. - I'm dead.Let's not make a big deal out of it.You drank my blood. I killed you.Now you have to feed in order to complete the process.You're wasted. Ugh. You don't wanna be out thereall alone.You're about to get really freaky.Look, I had a good time.I just wanna go home.You're gonna start craving blood. Untilyou get it, you're gonna feel out of it.Come on, move. - See, you're starting to fall apart. - I'm going home now.Okay, fine. I'm just warning you.Actually, you know what?You should go.In fact, if I were you, I would stop byyour boyfriend Jeremy's house. - Yeah, whatever. Bye. - Tell Elena I said "hi."And if you see Stefan,tell him to call me.I got Stanley on the Moore Street entrance.The rest of us will cover other points.Call him or call me if that goes off. - Don't use the radio. Cell phones only. - Got it.You've got eight rounds.Wood bullets won't kill him.But it will wound him enoughfor you to get close and stake him.You sure you can handle this?Of course I can.You ever staked a vampire before?Have you?I'm coming. - Hey. - The sun is killing me.My eyes are on fire.Where have you been?It's good. Everything's good. - Well, did something happen?. I'm hungry.What do you got to eat?You're high?It's the middle of the day.Could you just not talk so loud?My head hurts.I need quiet.The mind control you saidKatherine used. - Do you ever do that to me?. No.That necklace.....it contains an herb called vervain.It protects you from being compelled.I wanted to protect youfrom Damon's influence.But I also wanted.....to protect you from me.Elena, you should never takethat necklace off.No matter what happens after todayand no matter how you feel about me.....you'll know that you were freeto make your own choice. - Where is she?. Come this way. - What's she on?. I don't know.Hey, Vick, how you doing?Not good, Matty. I hurt.Okay, where does it hurt?My gums. My jaw hurts.My gum... There's somethingin my gums. It hurts. - You're okay. - No, just leave me alone.Don't be like that. Let's get you home. - Just turn it off. - Turn what off?The talking, the chatter.Just turn it off.Three bodies were found deadin a drug deal gone awry.The bodies have yet to be identified.They were discoveredat the old Mystic Falls cemetery... - That's where we were last night. - What happened, Vick?..and are looking for suspects.They're asking anyone with information... I'm calling the cops. - No, don't.What happened after I left last night?. Jer, you okay?. I'm fine, I'm fine.Damn, Vick. - What's going on?. She's really messed up.Elena, back up,Vicki, look at me.Focus.You're gonna be fine.Everything's gonna be fine.Guys, take her up to bed.Shut the blinds.She's gonna be okay. Come on.Come on. You know what's wrong?. Yeah.What is it?. She's transitioning. - Transitioning to what?A vampire. - What?. Damon must have gotten to her.She's new. She hasn't completedher transformation yet.How does she do that?She has to feed on human blood.And what if she doesn't?She'll die. She may only have a few hours. - She's upstairs with them right now.She doesn't know what's happening. - When is she gonna know?. She doesn't remember anything.A part of her is still human, but slowly,the deeper she gets into the transition.....the memories will startto come back.....and then she'll knowshe has to make the choice.The same choice you made?I'm sorry I'm so much trouble.You just...You need to sleep it off, okay?No.Vick.Vick.She was fineand then she just freaked out.I'm gonna go look for her.Call me if you hear anything. - I can track her. - Go. - Yeah?. I think I got something. - It's pointing towards the old cemetery. - I'm headed your way. - Maybe we should check in with Matt. - He'll call when he finds her. - What are we supposed to do?. We wait. We're supposed to wait.I don't know what's wrong with her.She'll be fine. It'll all be fine.Jeremy, go upstairs.You're afraid of me.I'm gonna go out on a limb hereand guess.Stefan finally fessed up.Stay away from me.Hey, hey, there's no need to be rude.I'm just looking for Stefan.May I come in? Oh, wait,of course I can. I've been invited.We can cut to the chase if you want.I'm not gonna kill you right now.That wouldn't serve my greater agenda.So.....where's Stefan?He's out looking for Vicki.Don't look at mewith those judge-y little eyes.Girl's gonna thank mefor what I did to her.Did you thank Katherine?Got the whole life story, huh?. I got enough. - Oh, I doubt that.Tell my brother I'm looking for him.Oh, tip for later.Be careful who you invitein the house.Vicki?I'm starting to remember things.What he is, what he said.I remember you, the hospital,the rooftop. It's all coming back.I'm so sorry.Damon had no right to do this to you.He said that I need to feed.What will happen if I don't?You will fade quickly.....and then it'll just be over.I'll be dead. - I don't want this. - I know.It will be okay, all right?You're gonna be okay.I can help you.Is it better?Is it better? Will I be better?I wanna go home.Please.No!Ugh!It's wood!They know.If anyone's gonna kill you,it's gonna be me.My ring.Mm-hm.No. No, Vicki.I'm sorry Oops.Oh, God.The watch. Find the watch. - No, it's okay, it's okay. I'm okay.I couldn't stop her.I tried.What does that mean?She fed. And then I lost her. - Oh, my God. - I'll take care of it.I'll find her and I will show her she can live like I do.I'll make surethat she does not hurt anybody. Elena.What do I tell my brother and Matt?. We'll come up with a story. - You mean we'll come up with a lie.I'm so sorry.I gave you today just like you asked.And I understand that you would neverdo anything to hurt me.....and I promiseI will keep your secret.....but I can't be with you, Stefan.I'm sorry.
